PHYSICAL EDUCATION

Old uniform or purchase new **from SCS**

Shirt and Shorts \$10.00 each

To do their best work students must have the necessary materials. We ask that the students bring the listed supplies on the first day of school. Thank you for giving them every advantage to learn and be organized. Please be sure that all items brought to school are labeled with your child's name.

The teachers require all hardback textbooks belonging to SCS be covered. Please do not purchase book covers that have sticky backing. If you are purchasing nylon covers, they must fit the book they are to cover. The best covers are paper grocery bags.

*Algebra students will need a TI-84 graphing calculator. Students will find out the second week of school if they will be in Algebra. The first week will be math placement testing for 8th grade only.
